

## **R.I.P. Richard "Fred" Kemp**

### **An invitation from Jean, Jo and Duncan**

**"Fred" recently died peacefully at the family home in Salisbury.** This was unexpected and very sad, but Fred's Service will not be a solemn occasion. This would be unlike Fred, who always brought humour and enjoyment wherever he was.

**The service will be a celebration of Fred's life,** with memories and stories to celebrate Fred's lifelong kindness, generosity and laughter. We hope you can make it to the service, the reception or even better, to both. Please feel free not to wear black necessarily; casual and respectful will be fine.

**If you cannot make it, you can still join us via the live video link.** This will also remain as a recording available for a week after the service:

**Rather than bring or send flowers;** Fred's career was for the most part in The Fire Service until his retirement in 2008, so please, instead, donate to:  
**The Fire Fighters' Charity: <https://www.firefighterscharity.org.uk/>**  
**Or via Fred's Tribute site: <https://richard-john-kemp.muchloved.com>**

**Please send any cards to: 18 Beatrice Rd, Salisbury, SP1 3PW**

**Do also send us your anecdotes, memories and quotations from Fred.** Please use **REPLY ALL** to this e-mail. Your reply will go to Jean, Jo and Duncan at [frednjean@aol.com](mailto:frednjean@aol.com) and to an old friend, Roger Crisp ([roger.crisp@gmx.com](mailto:roger.crisp@gmx.com)), who is helping us to gather together stories and numbers for the Service and Reception.
